Smoke Free Policy

At the beginning of season 2001/02 the General Committee of the N&CCC voted unanimously to ban smoking in the Queen's Park Sporting Complex. This Smoke Free Policy represents the development of that decision.

The **Newtown & Chilwell Cricket Club** recognises that passive smoking is hazardous to health and those non-smoking club members and visitors have the right to be protected from exposure to tobacco smoke.

Accordingly, the following policy shall apply to all club facilities, functions, meetings and activities undertaken by the club and will apply to all members, officials, players and club visitors.

Facilities

All club facilities are to be completely smoke free and shall include:

- The Queen's Park Sporting Complex inclusive of bar, kitchen, committee room, and toilets
- Player change rooms inclusive of toilets and showers, scorers' room, umpires room, medical room and property room

Smoking will be permitted on the open air balcony.

Cigarettes will not be sold (including vending machines) at any time at or by the N&CCC.

Players, Officials & Coaches

Coaches, players, trainers, volunteers and officials will refrain from smoking and remain smoke free while involved in an official capacity for the club, on and off the field.

Functions

All club functions including social and fund raising events and meetings are to be completely smoke free:

- Ashtrays will be removed from all club facilities.
- Cigarette butt bins will be provided at outdoor locations for smokers to dispose of cigarette butts before entering/ re-entering smoke free areas at club facilities

- Smokers leaving the designated licensed area of the clubs social rooms will not be permitted to take alcohol from that area

All club functions held away from the club facilities are to be completely smoke free and shall require an assurance from the venue management of compliance with the club policy before a booking is confirmed by:

- Removing all ashtrays from venue where function is to be held
- Enforcing a smoke free policy during the function
- Not selling cigarettes (including vending machines) at any time during the function

Invitations and advertising for all functions, meetings and events will be promoted as smoke free.

Non-compliance

All club committee members will enforce the smoke free policy and any non-compliance will be handled according to the following process:

- Explanation of the club policy to the person/people concerned, including identification of the areas in which smoking is permitted
- Continued non-compliance with the policy should be handled by at least two committee members who will use their discretion as to the action taken, which may include asking the person/ people to leave the club facilities or function

Policy Promotion

The club will promote the smoke free policy regularly by:

- Publishing a copy of the policy in club newsletters, notice boards and printed member/player information
- Displaying a copy of the policy in the club social rooms
- Periodic announcements to members at functions

The Newtown & Chilwell Cricket Club recognises the importance of educating club members, particularly players and the benefits of implementing a smoke free policy and will endeavour to provide information to assist this process.

The N&CCC will actively participate in the Australian Drug Foundation Good Sports program with an ongoing priority to maintain Level Three accreditation.

Policy Review

To ensure this policy remains relevant to club operations and reflects community expectations the policy will be reviewed annually by the general committee.
