

# TWO BLUE TRIBUNE

The official organ of the Newtown and Chilwell Cricket Club since 1973.

March 7, 2012 Vol.39 No.10 [www.two-blues.com.au](http://www.two-blues.com.au)

## Shedding the past, playing in the present and preparing for the future.

Finals are different. You can feel the change in intensity even more than you can the change from summer to autumn.

You know the wins in these games last longer in the memory.

And the scars of the losses last forever. Ask Morgo!

So to the three club championship sides this week, make it happen.

And good luck to the 5ths and 7ths as they attempt to extend their seasons.

With the wash-outs, there isn't much to report from last weekend.

But the weekend before, for those relieved of playing duties, and those celebrating their hard work off the field down by the practice wickets, there was an opportunity to see the dedication and determination in our first XI.

Asked to field on a day when the temperature was around 40 degrees, they stuck to it until the final over.

A lot of folk got a thrill that Mark Ainsworth got his first game, and his first wicket, at this level. Ainsie has become a real asset to the club, off and on the field.

And speaking of assets, congratulations to all those tireless volunteers who have helped build the shed.

In the 40 degree temperature, Beak and his assistants plugged away as earnestly as any of the bowlers and fielders, putting back advertising hoardings, putting up shelves, delivering a facility that says we're Newtown and you're not.

As one of his helpers noted: "He's a worker, that Beak."

Heartiest congratulations to all those who have laboured away to give us the shed, the nets, etc.

And heartfelt thanks to those who have offered donations to help pay for it all.

Neville is preparing for an official opening at the start of next season.

Others are also, quite properly, thinking about next season even as this one has a fair way to go.

It's a nuanced thing – in sport and life.

Honouring the past, competing fiercely in the present and getting ready for the future.

GO TWO BLUES.

## *SOCIAL CALENDAR*

The following social events have been scheduled;

Wednesday March 14      Junior Presentation Night

Friday March 30              Presentation Night - Club Rooms

## The Healthy Sporting Environment Demonstration Project

In early 2011 the NCCC registered to be included in the HSEDP, a 2 year trial project initiated by Vic Health and managed by Leisure Networks to assist sporting clubs to be healthy, safe and inclusive.

Over the 2 year program our club will be aiming to achieve minimum standards in the responsible use of alcohol; healthy eating at the club; reduced use of tobacco; injury prevention and management; UV protection and safety; membership support and inclusion.

Following our registration in the project, the NCCC was assessed in the aforementioned areas by a HSE project officer and it was reassuring to know that many of the project's standards already exist or have been achieved.

The NCCC has a Smoke Free Policy for its clubrooms, has level 3 Good Sports Accreditation for the responsible serving of alcohol, employs a professional chef to manage the kitchen and provide healthy and affordable meals on Thursdays and Saturday evenings, publishes a comprehensive Member's Handbook, welcomes new members regardless of age, gender, religion, ability or ethnicity, promotes open communication via a Club website and the fortnightly Two Blue Tribune newsletter, has a commitment to providing playing opportunities for "under age" cricketers, promotes Cricket Victoria's Code of Conduct and regularly reviews current practices and implements a range of policies aimed at creating a welcoming and inclusive sporting environment.

Since our involvement in the HSEDP we have encouraged a number of members to complete the Responsible Serving of Alcohol course; we have attended a "Play By the Rules" workshop presented by the Victorian Equal Opportunity & Human Rights Commission to make us aware of our Club's legal responsibilities regarding discrimination and harassment, we have been able to purchase 3 new gazebos courtesy of a \$920 HSEDP grant, appointed Welcoming Officers Phillip Morgan, Tony Jefferies and Don Royce to welcome and inform new members, appointed a Feedback Officer, Phillip Morgan to assist members who may have a grievance or a suggestion to improve our Club. A subcommittee has also been empowered to review all of our published policy documents.

While it can be said that our Committee has embraced the Healthy Sporting Environment Development Project and benefits have already resulted, there are still practices and cultural features within the Club that can be improved, especially with the assistance of the HSEDP officers.

Don N Royce and Scott Dimovski,  
NCCC Healthy Sporting Environment Development Project Representatives.

## Junior Presentation Night

The NCCC junior presentation evening will be on Wednesday 14<sup>th</sup> March at the Queens Park clubrooms. There will be a BBQ & drink provided for the players and the bar will be open for parents.

The presentation times for each age group are as follows:

4:30pm - Under 13

5:30pm - Under 15

6:15pm - Under 17

5ths & 6ths = 12.30pm to 5.00pm with a 2.40pm - 3.00pm tea adjournment

Round 17 - 5ths versus Grovedale @ Belmont Common (2)  
Round 17 - 6ths versus North Shore - Windsor Park (2)  
Round 17 - 7ths versus Bannockburn @ Victoria Park, Bannockburn

## Practice Wicket Update

The new Practice Wicket Complex is finally nearing completion.

Currently David Murray is working on making the shed a working shed by adding shelving etc.

It was rumoured that a TV and bar were also to be included - we will check out that one later this week!

Over two weeks ago the weather at last became favourable for Tony Devlin to organise putting down the artificial grass on most of the remaining cement areas of the hard wickets. Within a day or two the 'Phantom' helper Ian Simpson had marked the wicket area for the bowler's run ups and so this means that we are at last all but completed.

We now have a magnificent Practice Complex and Turf Maintenance Equipment Shed. It will ably service all club members both senior and junior for many years to come.

Thanks again to all members and their families that assisted at working bees, and in particular Scott Mullen, Graeme Taylor, David Murray, Tony Devlin, and Ian Simpson for their special contribution.

It is anticipated that each net will be 'named' as part of this ceremony - it has not been decided how at this stage.

The Complex will be officially opened just prior to or early next season. A plaque will be installed at the nets to recognise those responsible for their creation. It will also recognise those that have answered the call to donate funds to help cover the budgeted shortfall.

The cost of the artificial grass was not included in the original budget and it cost just under \$ 6,000, and it is our aim to cover this by members of the 'Newtown Cricket Family' donating towards it. It has been decided that every donation over \$ 100 will be recognised on this plaque.

We will keep the *Practice Wicket Campaign* open as long as we can prior to the Official Opening. As donations are received we will give updates on the progress until that time unless people prefer to do so anonymously.

Donations received to date include:

Ian Simpson	\$ 1,000
Neville & Dianne Crane	\$ 1,000
Brett Bentley	\$ 500
Greg Hansen	\$ 300
Chisholm Petroleum	\$1,000

TOTAL \$ 3,800

# Past Players in fine form last Saturday

The heavens may have opened during the week and on Saturday, but it certainly didn't deter 50 plus of the Club's greatest enjoying each other's company and reminiscing of the glories of the past 30 years.

Whilst the rain tumbled down, the premierships from '81/82, '91/92 and 2001/02 were regaled, dissected and reconstructed with each story sounding better than the one before. Greg Wells, Dale Pearce and Russell Jones recounted the glories of the 'Platinum Era' flags of '81/82, Bruce Nunn the '91/92 1sts and Phil Morgan the 2001/02 6ths flag.

As the stories got better and better, one thing became clearer – the quality of people in the room and their deeds on and off the field had made the Club the envy of Geelong cricket.

It was a great get together. More Club Presidents in the room than you could poke a stick at and great memories shared by great mates.

**Hearty congratulations to organisers Ken Le Hunt and Max Ellis** who would have been chuffed not only by the numbers in attendance but the real feeling of the need for these Past Players events to grow and prosper. Thanks also to Kev Simonsen who kept us well watered – some more plentifully and much longer than others!

In the words of Goose and Ken "Let's keep the Past Players concept developing and help build the Club to a First XI premiership this decade". The only decade in the Club's history that hasn't seen one.

## **Don Royce recalls the sensational events around the '81/82 First flag.....**

Last Saturday's player's reunion brought back memories of a rarely told set of events in March 1982, that were associated with the 1<sup>st</sup> X1's fourth of six consecutive premierships.

As Greg Wells reminded us at the reunion, we finished below Thomson at the end of the home and away series and could not afford to risk a draw in any form and especially not one resulting from a nocturnal visit by vandals. With NCCC in a commanding position needing only a couple of wickets and them needing another 150 odd runs on the 3<sup>rd</sup> and final day of play, I decided to pitch a tent with my 10 year old son (Dev) and spend the last Friday evening of the season on sentry duty, camped by the South Barwon CC wicket.

We awoke around 6.30am to find the wicket intact but were unsettled by an area a few metres from the wicket that was mattress like when you walked on it. Further investigation indicated that this area was actually waterlogged. There were no mobile phones in those days but the Two Blue network was strong and within a very short time a large number of Club members were in attendance with all manner of spades. With the help of the City of South Barwon's Grounds Superintendent (Pre Council amalgamation) who'd responded to a knock on his front door, we located the long forgotten and leaking pipe about 60 cm below the surface. It must have been around 9 am when a couple of fellows took off in a ute for the Clark Rubber shop and the rest of us began digging a pit to expose the damaged pipe and frantically do what we could to slow the leak.

Although the pipe was bound with tape, the water continued to bleed, so we filled the pit with blocks of

foam rubber, flawlessly covered the pit with the grassy sods, relocated the unwanted soil (evidence of a plumbing job) and quietly withdrew from the field before the host officials, opposition players and spectators arrived.

Fortunately we were in the field and their remaining batsmen walked to and from the wicket from a direction well away from the slowly filling pit and while batting for the short time that they did, they didn't ever appear to be aware of the goings on just off the wicket.

When the 10<sup>th</sup> wicket fell to give us a well earned and comprehensive 4<sup>th</sup> consecutive, 1<sup>st</sup> X1 premiership, we celebrated, but it was only about 30 minutes later that our well managed and well kept secret revealed itself, as the pit and its surrounds gave up and the water oozed onto the pitch.

I reckon the guys who were there that morning should gather for a photo before it's too late, if it's not already.

Don N Royce

**QEST environments**

WHO WE ARE: A reputation built on reliability

QEST Environments are a family owned, customer focused Australian business that offer a range of Environmental and Underground Asset Management and Protection Services. These services extend across all markets including domestic, commercial, government and industrial organisations.

One of the driving forces behind the establishment of QEST was the realisation that people wanted to deal with an independent company, capable of combining technical expertise with personal service and the resources to get the job done. Working with QEST, our customers can be certain that their needs will be handled in a way that meets or exceeds all local, state and federal regulations.

QEST has built a reputation based on reliability, efficiency, loyalty, and outstanding service, to all our customers. With a high regard for the safety of our operators, the environment and the quality of our work, we are a company capable of taking on projects and delivering results.

Head Office: 34 Edols Street  
North Geelong VIC 3215
