NEWTOWN & CHILWELL CRICKET CLUB SEASON 2005/2006

Dear Player,

Welcome to season 2005/06. This is the first and last time I will bring up the past.

For the first time since 1996/97 the club had no senior grand finalist & no premiership to celebrate for the first time in seven seasons.

"We as a club" have to make sure we rectify this. This can not happen on my own or with the help of a few people. As a whole club we can do this and get Newtown & Chilwell Cricket Club back as the powerhouse club of the competition.

This can only be achieved if we work together to establish a culture of hard work in the following areas:

- a.. Pre season (start early and participate regularly)
- b.. Training (practice improves performance)
- c.. Fitness (take personal responsibility)
- d.. Moving together (being supportive of each other's efforts)
- e.. Sticking together in tough times (club solidarity)
- f.. Unselfishness (being committed to the success of the team)
- g.. Enjoy each others successes (celebrate each others successes)

A base level of fitness prior to the start of these sessions would be strongly recommended.

DONT GET LEFT BEHIND!! It's up to you. Be the best prepared you can be. My self, Brett Bentley & Darren Fleet should be notified if you are unable to train at any stage of the season.

\$400,000 upgrade for clubrooms

01/06/2005

The City of Greater Geelong has allocated \$400,000 in its Budget for a major upgrade of the Queen's Park Sporting Complex.

Sports clubs and grounds continue to be a major focus of the City Budget, with an \$8.7 million injection again led by the Skilled Stadium redevelopment.

The City will spend \$4 million to finish the project.

Other sporting clubs and centres will get a total of \$4.7 million.

"We say to the community which has put up with us doing the Skilled Stadium redevelopment and Kardinia Pool, now it's their turn to reap the rewards," Cr Dowling said.

The architect's plans include refurbished kitchen, toilets, meeting room and storage capacity with the extension to cover the moat. External decking is also including as is downstairs shower facilities for umpires.

The plans can be viewed in the clubrooms.
