## SEASON FINALLY GETS UNDERWAY

After a first round hiccup for the First XI, the season is now finally underway for the top four teams. Unhappily, not with points for winning on the turf, but certainly with points for giving the youngsters a go.

And that's what the club is all about at the moment – developing the younger generation. It's a tough business, but Geelong Football Club went through it, and look at the rewards.

Happily we have a highly decorated former junior as our coach and as his wisdom is passed on, the likes of Dean Turnley, the Easons, Darcy, Jordo, Jai and the rest will blossom. You can't rush it, only encourage it.

The hard wicket boys have made a solid start to the season.

The Fourths have won both their games, and pretty comfortably, while the thirds under Frankie have won one and lost one.

Mind you, that first one wasn't really against a rival Third XI side, but there you go. Enough's been said on that issue.

No doubt about it, the highlight of round two was Mark Blake's innings in the Fourths. Going into bat, he said he was more nervous than when getting ready for an AFL grand final. We wouldn't know what that feels like Blakie, so we'll happily take your word for it.

But there were few nerves once he got off the mark. Though there would have been a few nervous birds sitting in their nest on top of the conifers around the ground. Seven sixers, amazing stuff.

Well done Blakie on your first half-century for Newtown and Chilwell Cricket Club.

Lucas Friend also batted well, must have been the extra strength from eating that KFC Zinger burger!

Tony Brady got a bunch of wickets, good get this fella, welcome to you Tony.

And welcome to everyone for the first time in season 2009-2010.

All previous players know the mantra at this time of year.

Make yourself known to the new chums.

Pay your memberships early. Get back to the rooms after training on Thursday and also on Saturday.

A lot of clubs would kill for the facilities we have ... And the high quality catering.

# Geelong Cricket Association official resigns over rescheduling saga

by Daniel Breen, courtesy of the Geelong Advertiser      October 8th, 2009

## GEELONG Cricket Association sponsorship and promotions officer Scott Mullen has resigned in a bitter postscript to last week's decision to abandon four round one matches.

Mullen yesterday quit his post after fellow GCA management committee members decided against rescheduling games that were cancelled because of unsuitable turf wickets.

Management met on Tuesday night to revisit the issue.

However, they came to the same conclusion that the fixtures would not be rescheduled and that all clubs involved would be awarded three points each.

A furious Mullen said the issue was a deal breaker for him after three years at management level.

"The final straw for me was they refused to change the decision because they would 'look stupid'," Mullen said.

"I have genuine concerns about the ongoing future of cricket in Geelong if those type of decisions continue.

"The decision to call off games seems to be becoming more and more frequent and it's my point of view that as custodians of the game we should be trying to play more cricket, not less.

"Whilst I have seen that go on in the past and reluctantly been prepared to accept it to maintain an image of harmony within management, I can no longer do that and that's why I have resigned."

GCA president Grant Dew said he was sad to see Mullen go but stood by the association's decision.

"It is disappointing but Scott's been a member of management for the last few seasons and been a good contributor, so I'm sad to see him go," Dew said.

"We made a decision in good faith at the time, to the best of our ability and it's not a massive issue to be honest. It's been dealt with in a manner that we try to deal with most issues.

"Again, it's everyone's right to feel strongly about an issue but that's his decision."

Mullen said he was opposed to orders that prevented matches from going ahead.

"The bigger picture is that moving forward, Bellarine Football League is

keen to stage finals at Queens Park and there is every chance Newtown will have to cop a draw in round one every year because a wicket cannot be prepared," he said.

"It's not a matter of wearing my club hat. Let's face reality. Grovedale was runner-up and we finished second last, so ... we have three points that we may not have had, but guys have missed out on a game."

### Are You Over 60 and want to Play Cricket?

Do you love cricket and wish you could still play?

Well in the summer of 2009/2010, Geelong will have its own Over 60s Side, playing in VOSCA – the Victorian Over 60s Cricket Association.

Matches will be played on Sundays on the turf at Stinton Oval, Queen's Park, Newtown. 40 overs a side. **The first game is this Sunday**

**And you won't be the only one who can't bend over in the field**

Cricket Australia has recently recognised Over 60s cricket as important to the concept of cricket as a life choice. You don't have to stop playing just because you're 60. You can tour England, or play in a six nation tournament in Singapore, or just enjoy the game socially here in Geelong, playing on the best ground in the region with its magnificent aspect, sightscreens and pavilion. So what are you waiting for? Dig out the creams and the spikes and celebrate you're alive!

To register your interest contact John Hammer, secretary of VOSCA: [jhammer1935@yahoo.com.au](mailto:jhammer1935@yahoo.com.au)

## Renaissance in art of celebration

IT TOOK Andrew Green 16 years to win his first senior premiership with the Newtown and Chilwell Cricket Club, and he wasn't going to let the moment pass without one hell of a celebration.

He sang the team song a world record number of times, he got the traditional team photo, then the tattoo, but still felt the need to do something that would make his club's 55th senior

premiership stand out among all the other team pictures on the wall.

Well here it is: he and his 5th XI teammates recreating Leonardo da Vinci's *The Last Supper*. Though there was no mention of a big red Esky in the original version.

"Big Red is part of our team's folklore and played as important a part in the premiership as anyone else," Green said.

"Well, certainly in the celebrations afterwards.

"The other thing I want to point out is that I thought of this before film-maker Peter Greenaway but if he wants to come and make a movie about our fifths premiership, he's more than welcome."

Greenaway's multimedia treatment of the *The Last Supper* is part of the Melbourne International Arts Festival.
