PRESIDENT'S REPORT

by Phillip MORGAN

The 2014 / 2015 season has again presented several challenges and also delivered so many outstanding achievements both on & off the field for the Newtown & Chilwell Cricket Club.

Would like to pass on my sincere thanks to all that have contributed towards this year at Queens Park. Special mention to the General Committee that continues to keep giving their valuable time & support that allow NCCC to both present itself and then function as it does.

The end of previous season started early in the off-season with multiple changes on the field, with several first eleven players indicating that they would not be playing in the season to come. This provided the opportunity for so many of us to step, which I am proud to say, occurred across the board.

That said, we could not have achieved a better outcome then having both Rod Kiddle (Coach) and Marc Carson (First XI captain) assuming the primary leadership roles for our playing group & club. More specifically below:

- Rod Kiddle, being one Geelong's most respected and decorated cricketers returned to our club and took on the role of mentor, coach and leader. His work throughout the year saw the upskill and development of many and his wise words of wisdom and positive influence had a major impact. His work ethic and reliability were appreciated by both playing group and administration
- Marc Carson, after such an outstanding career with Geelong Cricket Club also entered our club at the right time. He also had a major impact with his expertise & experience on & off the field. By the end of the season his bowling was making a significant impact on games and there is no doubt that he will continue to be a player and leader of the highest quality for several years to come
- Daniel Lawrence – his arrival from Essex Cricket Academy under the “Insole / Gooch” development program and again he made an immediate impact. Centuries in rounds 3 (111 vs East Belmont) and 4 (191 vs South Barwon) gave us a sneak preview of what may be still to come – overall he had a major influence on our season. His return to the UK and subsequent debut in County Cricket with a maiden century in just his second game backed up David Shaw's opinion that he's the best he's seen at that age at Queens Park – the Patron a great judge of ability

Other highlights included:

- Pre-Season training – no doubt having over 55 different players attend indoor sessions and the consistent attendance rate of so many provided the impetus for continuing player development and improvement
- Increased numbers in both our Junior Section (From 7 to 10 teams & 150 players) and

our “In 2 Cricket / T20 Blast Programs” (68 participants) and it’s these areas that we must continue to focus both our efforts and personnel to ensure that the future playing stocks of the club are healthy, educated & well-managed

- A recognition dinner in February, 2015 for Don Royce OAM was an outstanding night and worthy recognition to a person that has & still continues to give so much to so many at both our club & Geelong Cricket in general – such was the warmth & love in the room, that over 100 attended and heard so many great stories of a great person – well deserved Don!
- Again Stinton Oval & Shaw ovals @ Queens Park hosted a fourth consecutive year of Division One finals, and it presented many challenges and accompanying opportunities to again open the club up to the cricket fraternity in Geelong. Overall an outstanding success and this as a result of so many contributions from so many people over the month of March. As was highlighted to the GCA executive we take the responsibility of hosting seriously as we seek to put cricket on the map in the area and without doubt we are provided with the facilities and surroundings to house such an event – with thanks to both City of Greater Geelong and our dedicated curators in Graeme Taylor & Ian Simpson
- 2014 / 2015 GCA Club Assessment was again pleasing to know we have fulfilled the criteria in ALL of the administrative elements of the process. The room for improvements exists with our playing outcomes, and significant that we placed NINTH overall in the assessment table so next year requires a higher winning ratio to continue our rise on the assessment ladder

We as a club have continued to improve in many areas, and it is pleasing to acknowledge that there have been so many contributors to the end result.

There is no doubt that any honorary work & time for any sporting club is becoming harder to be achieved and now more than ever we need YOU to come forward and offer your assistance and support where you can.

On the field, and as mentioned above Rod & Marc formed a fantastic partnership and received support from so many others. Special mention to Graeme Chisholm & Don Royce for the time in scoring in the 1sts/2nds and also to those other who assisted at various other times. We need more help in this area so please come forward to contribute.

As a club to improve, we need to increase training attendance rates so understanding that both work & life commitments do at times need attention, we also need to make sure we make the most of the opportunity to spend time each week honing and improving our cricket skills.

This also includes attending the rooms on a Thursday & Saturday night and taking the time to enjoy the high quality meals that we are blessed with and getting to know our fellow members better. When a social function is on, make every effort to attend and bring other people where possible, Jamie Pescott’s efforts in this area were much appreciated.

Special mention to our captains this year who again lead from the front. As a club, we struggled with the continuity of leadership in the seconds, asking multiple people to take charge at various times will hopefully provide those that did help with valuable experience for the future.

Significant changes and supporting roles highlighted include the efforts of the following:

1. Marc Carson – in a first time position, it was a great learning up curve and he used his extensive cricket experiences to have a significant impact on the firsts – but for the team holding a few more catches, would have seen more potential wins and then improved the “win vs loss” ratio
2. Russell Mitchell – continues to have such a positive influence on all those that play alongside him. Any one that has been fortunate to spend an afternoon on the field with him will know that you will learn so much from a competitive person whose cricket acumen is second to none – getting the thirds to the second week of finals just continues his sublime record as a leader
3. Lucas Friend – stepped up to captain the fourths and put so much passion / effort into the role in the first 4 games with an untimely injury that saw him unable to get back on the park for the rest of the season – in his absence so many helped out & volunteered to support the role and missing the finals by 1 game in the end was a tick for all those who contributed – we hope to see Lucas back in the coming season
4. Tony Devlin & Adrian Windt – our one day team in the FIFTHS and compared to the previous year when we had two teams and upwards of 40 players dwindled down to one team. Adrian seriously injuring his leg early in the season was a major loss but “Specs” again stepped up and his positive approach and attitude always saw those playing have a great day @ cricket and also gave so many of our juniors a taste & exposure to senior cricket

Whilst playing finals was limited to the THIRDS, it must be stated that the loss of so many players at all levels for so many reasons made it difficult on the playing group & selection committee. There were still so many significant playing highlights that saw all teams competitive and but for some good luck when it mattered (eg. holding more catches), would have snatched a few more wins and an end higher position on respective ladders.

Of note was that from one season to this one, that our playing stocks were deeply impacted by the departure of multiple quality & lower-grade players – primarily we need all to be active in recruiting and retention as this cannot be left to just a few.

Philip Twaddle in his first year as Chairman of Selectors was outstanding and he along with his family (especially Brendan & Karen or driving) housed Daniel Lawrence for 5 months, we are so appreciative for taking the time to take him in, look after him and feed him. Hopefully you can enjoy his rise & rise in his future cricketing journey.

To Tony Jefferies for continuing roles of both a Junior Coordinator and GCA Administrator – his fantastic organisational & administration skills for our club are outstanding. **A deserved joint winner of the “Vic Profit Trophy” with Don Royce.** To Don, who supported Tony with

so many activities and roles during the season and he continues to pass on his wisdom to the next generations. Highlights were the team dinners on a Thursday night and the intra club T20 games on Stinton oval for both the under 13 & 15 sections.

To all our junior coaches, managers and parents a huge thank you for giving your time & such dedicated mentoring of our juniors. Having over 150 players takes a concerted effort and all the feedback was so positive from all teams that we can all look forward to the juniors progressing through all levels of their cricket journey. To both Ross Price & John Williams (part of our valued Geelong over 60's connection) for donating their time and expertise to our junior teams and also helping to add value to the nurturing pathways.

Again thanks to Tony Hedley for his work with the Milo "In2 Cricket Program" that has now doubled in size in the last 3 years. He has signalled that his time managing this program is now complete so we will need a replacement.

The ongoing operations of the NCCC are at a level of a "small business" for both the work required to be undertaken and also the income levels / expenses that are required to be managed each year.

From me, a huge thank you to both Frank Tuskes (Secretary) and Mark Ainsworth (Treasurer), who continue to provide such substantial contributions and expertise in their respective roles. People of this quality and character must be appreciated by our club as they bring exceptional values and standards.

Already mentioned both Graeme Taylor & Ian Simpson who have cared and managed the Stinton Oval turf wickets & ground. No doubt that their unrivalled expertise regarding the centre square has the majority of clubs envious of what we present each week.

To Tom Levick, who took on the Membership's Manager Role and did a fantastic job both here and with helping out when required. He was a constant on Friday nights for the "In-2-Cricket" program be it with the Bar or BBQ support.

We have been fortunate to have the ongoing services of Clare Hamilton @ Pink Saffron Catering for our catering and major functions and her continued high quality food forms an important component of our club. Late in the year when Clare was unavailable, Tony Marinelli & Tracy Howarth filled the gap and we say thanks to all that help & support on the food production and presentation front.

To all of this year's committee, a huge THANK YOU for your combined efforts in your various roles & responsibilities throughout the year.

To Graeme Chisholm & Tony Devlin and their fellow supporters on the organising and running of our "Major" raffle which continues to be the significant income earner for the club.

To the "silent" workers of this club, especially David Barnes, Ian Simpson, Mark Turnley & David Murray we say thanks for what you have done & continue to do...with apologies and thanks to so many other contributors / supports in multiple areas....!!!

Congratulations to Frank, a worthy recipient of the “Jim Perry trophy” and to Philip Twaddle for being awarded the “Syd Johnston trophy” – both have been major contributors to what the club achieved this year and are quality people and outstanding leaders for our club.

To the City of Greater Geelong, we continue to appreciate the facilities we are blessed with in the Queens Park sporting precinct. In the short term, Queens Park will get a further re-fit down stairs with renovations that will bring the change rooms up to date and provide much needed upgrade to the player’s amenities. We are lucky to have such a wonderful environment, club rooms and local government body that supports our club...!!

Season 2015 / 2016 already promises to have further challenges ahead to improving on-field growth & development and continuing to support each other with workloads around the club.

We need to continue to both engage, energise & share the ongoing tasks and to this I strongly recommend that if you have any time available that you let the committee know and we can always use more hands & bodies where possible.

Phillip Morgan
President
Newtown & Chilwell Cricket Club inc.

GO THE TWO BLUES...!!!

SECRETARY'S REPORT

by Frank TUSKES

It was a challenging season on and off the field. Everyone who went through it will always remember the cricket season of 2014/15 and will be better for it.

I take my baggy blue off to all the players who represented the club this season, the First XI team no matter what position was always busting its guts. Full credit to everyone for giving their all. My moment on the field was the game against Bell Post Hill on Stinton Oval when we had a one day game go down to the wire, balcony full, junior players warming up for their T20 game, the crowd on edge. Up stepped Tom Bates in his first game, picking up a ball in the cover region in one hand and threw down the base of middle stump, that was it, we couldn't lose from this moment on. The happiness on everyone's faces was a moment I will never forget. The night went on and on, our juniors were playing an intra club match under lights, this day/night is something we must repeat more and more...

I thank Marc Carson and Rod Kiddle for their commitment to our cause and to all the Two Blue players, new and old, you will be always remembered in my eyes for sticking fat. I don't like singling people out but Mick Beveridge was outstanding in his first season, what a great recruit who has made Queens Park his new home.

The new season will see some fine tuning in the coaching, leadership and training structures, we will make change to improve and continually identify methods that can take us forward. Many thanks to Marc Carson on his energy and effort in helping us drive new players for this upcoming season.

Administration help is required, we need anyone who wants to help out in some way to put their hand up. Florianne Cooper was the recruit of the season, her smile at tea break was all we needed, I personally couldn't wait to tuck into a chicken salad roll at the tea break and walk back out into the ground with hazelnut slice in my pocket to get me through the day. Good old Don and Pezzy would prey on the carcass, that's if they were lucky to have any left. Brendan is no dill, flew off to Paris to propose during the Christmas break, it was his only masterpiece innings of the season. Congrats to the both of them.

Don Royce had his Roast too during the season, it was the night of nights. The Clubroom was full of Newtown legends, another highlight for the year listening to Don and his antics. He's a legend OUR Don, no one better ever forget it.

I better not leave out Anthony 'Specs' Devlin, he played his 400th game, we even sung a song to him dedicated and written by our very own Barry Glitter. Specs again rallied the troops with Graeme Chisholm and again made the Major Raffle day another big one, the two legends are just fantastic in assisting the club. Big day that was too, wasn't in Jakey!

Well done Russell Mitchell on again another successful year taking the Thirds to finals. Even though he found out more ways to be dismissed this season than anyone else I have ever seen. Falling on stumps, caught on wide balls... It was an exceptional fun year to play with Biscuit.

Daniel Lawrence and Phil Twaddle- thanks to you both. Firstly for Daniel in making the long trek from Essex and contributing as a 17 year old like no one else could. I wish him all the best in his quest to play for his Country, we hope we made some small difference to help this dream come true.

Phil (Sehwag) Twaddle stepped up big time this year, he took on the Chairman of Selectors duties and also housed Daniel and became his personal Uber driver. Thanks Phil and Karen on your fantastic hospitality, wonderful Newtown people.

The GCA has brought in a points capping which means our First XI team can only have a total of 42 points for season 2015/16, the previous season it was 45 points. This makes it difficult to continue our scholarship programme with Essex as imported players from England incur a 7 point capping, making it difficult to have enough points available to accommodate a Essex player. We will do our utmost to retain, as the relationship and experience it brings to not only the likes of Daniel but to also to our current players including juniors is intangible.

To our junior coaches, we have so many to thank for all their hard work, Jaffas and his team do such a great job in encouraging our next crop of champs. They all know who they are, you do such a wonderful job in managing and nurturing our junior talent. We will continue to work more and more in developing our junior talent, we have to for obvious reasons.

Thanks again to Phillip Morgan, Mark Ainsworth, Jamie Pescott and Don Royce for continuing to put up with my phone calls. The club is in a good position financially and with the change rooms ready to have a glorious upgrade we will be the envy of all. The GCA recently released their club assessments and we finished 9th which surprised the pessimists who claimed we would be in the bottom two. Just a small reminder that the assessment isn't solely dependent on the teams' ladder positions, it depends on a multitude of factors. Our club has a wonderful junior programme, unbelievable facilities, practice and centre wickets, sound administration and members who all strive to make Newtown and Chilwell Cricket Club the institution it is.

We must keep striving to improve our senior group, recruit and develop our juniors so that one day we can achieve the ultimate success. It will take time but we'll be there before we know it.

Go Two Blues!

N&CCC 2014/15 MAJOR AWARDS

Jim Perry Most Valuable Playing member – **Frank Tuskes**

Syd Johnston Clubman's Award – **Philip Twaddle**

James Fairnie best performed team – **under 13 Royce**

Top 10 bowling – **Zac Stokes**

Top 10 Player of the Season – **Daniel Lawrence**

Average Winners 2014/15

Vin Hassett Medallist First XI	batting	Rod Kiddle	206 runs @ 51.50
Greg Wells Medallist	bowling	Marc Carson	15 wkts @ 29.27
		Most improved player - Rhys Bennett	
Second XI	batting*	Michael Beveridge	181 runs @ 20.11
	bowling	Sam Jefferies	15 wkts @ 20.60
Third XI	batting	Dev Royce	309 @ 61.80
	bowling	Zac Stokes	32 @ 14.63
Fourth XI	batting	Jordie Lewis	317 runs @ 39.63
	bowling	Michael Kirkland	15 wkts @ 17.27
Fifth XI	batting	Anthony Devlin	265 runs @ 20.38
	bowling	Anthony Sirgiannis	16 wkts @ 16.13

Average qualifications

1st - 4th XI

- 6 Games, 6 Innings, 200 runs
- 6 Games, 60 Overs, 15 Wickets

*Qualification runs dropped to 175

5th XI

- 7 Games, 7 Innings, 200 Runs
- 7 Games, 60 Overs, 15 Wickets

COACH'S REPORT

by Rod KIDDLE

What an interesting season that was full of challenges and full of effort.

From day 1 when the goal posts moved and a number of players from the season before were unavailable to play for a number of different reasons the focus moved away from playing finals and maybe setting up for a Premiership tilt to a rebuilding phase. What I saw from that point was a playing group that were up for the challenge and had heaps of energy and want. As did the Administration, the leaders of the Club and for me personally, I thought that was exciting....!!

Firstly, I sincerely thank all of the “playing group” for their efforts this season, I understood the challenges for the players and with them stepping out of their comfort zones and sometimes playing in really difficult circumstances personally. I only have admiration for them. I believe you have all come through the experience better players and certainly more aware of the requirements of cricket and the level you need to be at to have success. We had to go right back to the basics right across the board but what I was seeing the second half of the season was the fruits of all your efforts. I know we all had games or days where we performed poorly as a Club, but that was only a handful of days and I think those days we all learnt from.

Also we had a few moments throughout the year where things were difficult but we moved on through these quickly and came out the other side, which is so important in a Club environment that is on the move.

My thoughts are, one thing next season that needs to improve is the professionalism of the players, it's only a little thing in the scheme of everything but it defines yourself and the Club and it's easy to change if you want to. That might be the first thing that changes for next season and it might be the biggest thing but everyone needs to sign up to it for it to work. Two way communication standards can be our number 1 priority.

We also need more helpers around the Club, more roles to be filled for the Club to improve, so the Club can become a community. We need parents, brothers, mates, ex-players, grandparents and just cricket fans to spread the load however much time they can offer it doesn't matter.

Socially I could feel that there was a shift and players and people wanted to be around once everyone felt comfortable with each other with our changing group. This is most important as cricket is such a hard game and we need to enjoy our time off the field just as much.

I thank all the supporters of us out there that came to our games and stuck by us, we appreciated that. The Curators, which do a fantastic job each and every year and are great to work with. I thank Phillip Morgan, Frank, Don and all his team for their efforts which was talked about on Presentation Night.

I also thank the Chairman of Selectors Philip Twaddle who was great, and I thank the playing group leaders, which I have thanked personally along the way, that helped each and every day of the year that we were down at Queens Park. It was much appreciated.

To ALL the Senior and Junior coaches, all captains who were absolutely fantastic and all members that stuck by the Club in a difficult year. I hope you see the rewards sooner than you think.

A special thank you also to Marc Carson who put the time and effort into making this his Club but also playing a major part in all the Coaching Plans. It was a pleasure working with you and also a special mention to Daniel Lawrence our resident "Pom". I'm sure everyone would say it was a great experience to have him at our Club, we were lucky to have him and we hope it stands him in good stead for his future.

I'm sure you will say to yourself, that wasn't too bad at all, I think we can do this.

I'm sure you can..... Thanks for all your efforts.....!!!.

cheers

Rocket

2014/15 – First XI Captain’s Award

This year’s First XI captain’s award goes to **Jackson Davis**.

To his credit this year, Jackson has become one of the club’s best fast bowlers and also gathering respect from outside the club on the field.

With the ball, I think he was our most consistent bowler for the year and each week bowled with steadiness and but for some improved fielding, would have ended the year with more wickets and of course better figures.

Taking 13 wickets @ 31, he worked tirelessly over the season to improve all facets of his cricket. That including his batting and fielding, which will continue to evolve as he plays more at this level.

He also became an important member of the side and set outstanding examples for other to follow.

He will be a very crucial part of the NCCC 1st XI side for many years to come.

Congratulations mate on your year ...!!

Marc Carson

2014/15 – First XI Encouragement Award

This year’s First XI captain’s award goes to **Rhys Bennett**.

At the start of the year, he was appointed to captain the seconds, a role that he would not get to enjoy due to subsequent circumstances.

Rhys took on the responsibility of opening the batting in the firsts. Scoring over 250 runs at first XI is a credit to his continued development and desires to improve his game. Highlight being 71 vs Leopold and provided the platform for us to a victory.

He is an integral part of the side and sets high standards with both bat & in the field.

Congratulations & thank you for your efforts & success this year !

Marc Carson

2014/15 Second XI Captain’s Award

Firstly, we need to state that the “Second” XI at NCCC certainly faced more challenges than any other team. This resultant from a revolving leadership / captaincy role.

Secondly, with multiple ongoing changes to the playing stocks each week, this played its role but fortunate to report that in that time, it has provided multiple opportunities for so many people to experience turf cricket during the year.

In awarding the award for this season, whilst having to deal with the above issues, it allowed for several people to experience the day to day responsibilities of captaincy / leadership.

This year’s award winner was **Michael Beveridge**, who being in his first year of cricket with NCCC and returning to cricket after a few years off accepted the challenge presented later in the year to lead the team.

He displayed impressive character to adapt so quickly to the playing group. This including playing in the T20 games as the wicket keeper / batsman. He continued to grow into the club as the season moved forwards.

Also supported the club & functions with his family welcomed and we all look forward to his continued involvement for many years to come.

We thank Michael for his contributions to Newtown & Chilwell and more particularly the seconds. From the club, we sincerely appreciate your involvement and already looking forward to a new season ahead.

Phillip Morgan

2014/15 Third XI Captain’s Award

This year’s third eleven captains award go to **Mark Ainsworth**.

Ainsy as we call him has had an outstanding year with the bat making 363 runs for the year in 9 hits. He did it as an opener always taking the new ball and because his form was so good he always gave our lower order a chance to make runs. He is an outstanding fieldsman giving his all in the field and he never once failed to chase as hard as he could or

throw his body behind the ball when belted at him.

His leadership is outstanding and I relied on his opinion many times in the heat of battle when I needed a cool head.

I love playing cricket with Mark, I look up to him so very much. His quiet unassuming personality was a blessing in this thirds eleven team and on behalf of all at NCCC I would like thank Ainsy for everything he has done for our great club.

Russell Mitchell

2014/15 Fourth XI Captains' Award

It is with great pleasure that we award the captain's award goes to *Steve Lewis*.

Steve has so many impressive qualities that are desirous to the genetics of where the NCCC is heading. With his extensive cricket experiences, he was a massive support with both his ability & cricketing nous on & off the field.

He opened the batting all year in the fourths and produced some of his best batting, when at times we lost early wickets.

He displayed outstanding concentration against several quality bowling attacks, which resulted in scoring 352 runs at an average of 35.20. He demonstrated a willingness to survive and then thrive that was a lesson to the art of batting to all teammates watching.

He also wicket kept for several games and then mentored Charlie Windt when he was promoted late in the year.

He always gave 100% to the cause and was a large reason why this team remained so competitive all year. Having also seen his son, Jorden back playing cricket along with the regular visits of James "Sargie" Lewis was an important outcome for us all.

He has always been willing to offer advice to several of our younger & maturing players along with his competitive nature provide the qualities of what will be the future strengths of our club going forwards.

Congratulations Steve on what has been a significant contribution towards both the NCCC and the fourths & I sincerely thank you your unwavering support & assistance to the side.

Phillip Morgan & Lucas Friend

2014/15 Fifth XI Captains' Award

It is with great pleasure that Ross Corbett has received our captain's award for this season.

In a year where both the Fifths took a battering in terms of collective player numbers, Ross was one of the few constants playing 15 games.

His enthusiasm and commitment to the team was a great support to the captain. He would always have a smile on his face regardless of how the game was going and created an environment for others to enjoy.

He helped out with all activities, including setting up the ground, scoring, umpiring and was also there to help out when everything needed to be packed away.

He is a fantastic person to have around and was a pleasure to spend time with Ross either at the games or after at the club rooms and always encourages his partner to come to Queens Park and enjoy a meal / drink. Great lesson for all on how to build & unite a club....!!

On the field he always gave 100% with the bat & ball and although he was devoid of runs this year, was always encouraging to our younger players. He rates himself with the ball and took 10 wickets for the year at an impressive average of 18.7 (strike rate 17.40 balls per wicket)

It has been so much fun to have "Corbs" as part of the fifths this year and it is with great pride we award him with this Award.

Well done Corbs....!!

Anthony Devlin & Adrian Windt

SECOND XI CAPTAIN'S REPORT

by Michael BEVERIDGE

Given the loss of personnel to the club in the first XI from the previous season, it was always going to present several challenges to the second XI.

But that said, it provided an opportunity for several players to experience turf cricket that may not have necessarily occurred.

To Dev Royce, Brendan Twaddle, Adam Kalz, Rod Kiddle and then Michael Beveridge we say thank you for accepting the captaincy / leadership role at various times during the season.

More particularly to both Marc Carson & Rod Kiddle for their efforts in providing such a positive training & coaching environment. They always were supportive in seeking to improve both skills and passing on advice that would help with the games on Saturdays.

We need to ensure that continue to improve, and we do need to focus on primary & basic outcomes such as:

- Do the **BASICS** well in every minute of every game (including training attendances)
- To play for our **TEAM-MATES** (support of all tasks of a day at cricket) and
- To **ENJOY** playing our cricket (take the opportunity to appreciate the time we get to meet new people and then engage in all club activities)

As a team we played 32 players and of that 18 played 2 games or less. Eight players played 7 out of the 12 games so gave them every opportunity to experience cricket at this level.

Having the likes of Sam Jefferies, Tom Bates, Chris Byrne, Brendan Twaddle, Max Payne and Nick McGuane play extended periods of time at this level will hopefully all will be better for the experience gained. In Tom & Nick's cases, debuting for the club first XI was a highlight.

Listening to Rod Kiddle and practising the basics right time & time again is important to perform at this level and above.

If the young players continue to improve and grow like they did this season and we can provide a stable platform of experienced and quality players around them, then can see a competitive group of players in control of their own destinies.

Highlights for the year were the round one win vs Bell Post Hill with Nic Locando making 61 n/o on debut and then of course the round 10 game vs Geelong West when we chased down their score of 199 and coupled with wins in **ONES & THREES** was a great day for the club.

So often we were competitive in games but were unable to win the big moments in each game but we know that will improve with both experience and maturity.

Would like to thank all the people who helped out with scoring (especially Don Royce & Bernie McGuane), umpiring, training attendance and other involvements with the club, as it does take a team and united effort and then we can focus on enjoying the days we spend at cricket.

THIRD XI CAPTAIN'S REPORT

by Russell MITCHELL

The first game of the season was a one day game against Bell Post Hill. We won the game in the last over which was very exciting for all concerned.

It was also a trait for the whole season as nine or ten games were decided by one wicket or less than 20 runs. It was a fantastic season to be part of with Dev, Frank and Ainsy all having outstanding seasons with the bat.

Our bowlers bowled brilliantly all year with Stokesy, Scotty Sanderson and Michael Kirkland taking the most wickets in the thirds. We easily had the best bowling attack in the competition.

We won our first final easily against City making 284 batting first and dismissing city for 230. The next week against St Joseph's we bowled first and they made 298 in 75 overs. We bowled badly that day probably our worst performance for the year.

It was a shame we didn't perform better when it counted most.

I would like to thank Phil Twaddle for all the work he did during the year as chairman of selectors. It's a tough job in the modern age and the club is indebted to "Sehwag".

Philip Morgan does an outstanding job for all captains with regards to putting scores into my-cricket and doing everything else around the club.

What a legend he is. Thanks morgahannnn once again.

FOURTH XI CAPTAIN'S REPORT

by Lucas Friend & Phillip MORGAN

Season 2014/2015 certainly did not turn out like what had been planned for during September before the season. Player turnover & exodus at the top end of the club along with several departures through all levels of the club would see increasing opportunities for players at this level.

In changing times during the year, our appointed captain in Lucas Friend would unfortunately suffer an injury that cruelled his season in round 4 and we were not able to see him back on the field.

Credit is to be extended to both Rod Kiddle & Marc Carson for their coaching & mentoring of our playing group. To Philip Twaddle for his player management as Chairman of Selectors and to all players for their collective efforts to the NCCC to achieve the successful outcome in the fourths. Also the efforts of Tony Jefferies & the various junior coaches for presenting our junior players ready to play senior cricket – we all look forward to watching the progression here.

In the season, we played 45 different players and of those 18 played just one game. Constant changes each week made it difficult to get any consistency to either batting or bowling each week.

Overall the Fourth's competition standard was exceptionally strong with several teams having quality players. Each week, every side would be a challenge and if you did not play well, you would be beaten.

Given the above player turnover that we ended up equal seventh and one game from the finals should be considered a huge success. Unfortunately a lowlight was losing to the “bottom side” in round 10 by just 2 runs, whilst disappointing would serve as an incentive to finish the year off well and have a couple of strong wins in the next 2 rounds.

Overall result saw us achieving 6 wins & 7 losses (4 games by narrow margins) and we were so close to beating the top 4 teams, which would have changed the end result of the season.

The opportunity to provide so many young players with an opportunity to play Fourth's cricket will only place them better going into the next season. To see the likes of Hayden Jefferies, Oscar Hill, Jack Devlin, Austin Levick, Jack Royce, Jack Hastie & Charlie Windt all improving so rapidly and playing significant roles to the team was a great outcome for the season.

Having the likes of Steve Lewis, Terry Hickey, Michael Krig, Grant Whiteside, Tom Levick and Jordan Lewis to pass on their support and ideas to both captains was just so important with the above development, not just of cricket but also the manner in which we wanted to present ourselves as a team & club.

Several major team highlights for the year included:

- Adam Patching's 102 vs East Belmont in round 3 – just an outstanding display of power hitting that helped us to a win
- Round 4 win vs South Barwon with Jordan Lewis making 84 not out and then Michael Kirkland's 5/59 bowling us to a victory by 6 runs – one of the great wins for the year
- Spirited run chase vs Geelong City in round 5 but losing 4/20 in the end to lose by 18 runs (City would eventually win the premiership with a strong & experienced team)
- Steve Lewis making 84 in round 6 vs Lara and again an outstanding display of concentration against the other side that would make the grand final
- Outstanding run chase vs Leopold in round 7 when Grant Whiteside (59*) and Tom Levick added 95 in an amazing 13 overs of power hitting
- Round 11 game vs St Josephs, when our young players in Hayden Jefferies, Michael Kirkland & Oscar Hill all were outstanding with both bat & then bowling in the heat of the game to see us win
- An outstanding team effort vs Bell Post Hill in round 12 when we made 8/205 and then bowled BPH out for 41 and Nathan Krig, Oscar Hill, Hayden Jefferies & Jordan Lewis just bowling so well that did not give them anything

Whilst we will and can reflect on so many minor instances within the game, the bottom line is that when I looked around the team on the day, there were so many great achievements that we should all be proud of as a team and club.

The development of so many of our youngsters, integrated with several fantastic “older” players meant that each week provided another challenge to be competitive. Integration of “new” players in Moose Ernstzen, Rohan Harbridge, Matt Elliott, Will Goss & Sam Holgate provided great opportunities to make new friendships and welcome them to the NCCC.

Other pleasing aspect was the positive “team” environment created that allowed several of our up & coming players to integrate and contribute to several results throughout the year.

Looking forward to the 2015/2016 season ahead with such a promising batch of cricketers that will only get better with continued nurturing, further coaching and then also a commitment from senior players to help & support them at all stages.

Phillip Morgan & Lucas Friend
(Captains)

Go the Two Blues....!!!!

FIFTH XI CAPTAIN'S REPORT

by Anthony DEVLIN & Adrian WINDT

Given the club's position to have five sides this year, it was to be assumed that we would have several surplus players rotating through the Fifths' year.

Soon it became clear that the nucleus from both of last year's teams had moved on from playing regular cricket. This coupled with several long term injuries (to Adrian Windt & Troy Logan) had an impact on the make-up of the team each week.

Of the 51 different people in this side throughout the year, approx. 28 played either two games or less. There were only two people that played 15 games or more and then one other that played 10. This represents an incredible turnover. In saying that, the continued ability to draw players from so many resources, created the opportunity to create & extend friendships and camaraderie as often we did "new" player introductions before the game.

That the NCCC Fifths ended up seventh on the ladder at the end of the home & away season (5 wins, 2 draws & 11 losses) was a credit to the playing stocks. In a competition that had several very strong teams, this was seen as a success given the above circumstances.

Opportunity existed to allow for several of our younger brigade to play and names like Jack Devlin, Jack Hastie, Zac Stanton, Jye Witham, Austin Levick, Charlie Windt, Tevan Nofi, Jack Royce, Mitch Coon, Brad Horsham and Grant Philpott are just a few names that hopefully will play a lot of cricket in the years ahead.

Also seeing so many "new" players to the club, including Nathan Brown, Jeremy Edwards, Will Goss, Matt Elliott, Sam Holgate & Moose Ernstzen also providing so much energy to the team.

All of the above mixing with some "older" faces such as Ian Simpson, David Murray, Neville Crane provided so much fun on the day.

This is a further reason why we enjoyed the year so much as we always looked to have fun first & then hopefully we be as competitive as possible, albeit at times the ability of other teams was very strong.

Three wins in the last five games provided a positive finish to the year...!

Several major highlights for the year included:

- Strong batting performance in round 2 vs St Josephs making 4/215 (Clark 87, Windt 61 & Logan 52) helping us to a win
- Beating East Belmont in round 3 with Adam Patching taking 6/18 after making 44 – the side that would eventually play off in the Grand Final and had several high grade cricketers playing

- Matt Ainsworth taking 5 / 22 vs Murgheboluc in round 5
- On debut, Mitch Coon taking 3 / 11 vs Bell Post Hill (Cleaning up their stars)
- Club legends taking to the field, namely David “Beak” Murray & Neville Crane
- Dev Royce belting 98 vs St Josephs in round 9 and playing a first senior game with son Jack
- Adam Patching’s 101 vs Murgheboluc in round 13 helping us to a first win in 3 months
- Terry Hickey’s captaincy in round 17, getting a win in Specs absence
- Just the sight of seeing so many younger players improve their cricket in what was a very strong competition

Final special mentions to Ross Corbett (Captains’ award), with whom we all enjoyed playing cricket and always had a smile on his face regardless of the result. Also to Anthony Sirgiannis, who continues to bowl with such skill that he won the bowling award with 16 wickets @ 16.13.

Whilst winning a few more games would have been nice, just giving the opportunity to play for our club hopefully places them all in good position for the years ahead.

Anthony “Specs” Devlin & Adrian Windt (Co-Captains)

JUNIOR REPORT

by Tony JEFFERIES

2014-15 proved to be another successful but challenging season for the junior section of the club. The Under 13 Royce team (coached by Jason Thiele) made the grand final again but unfortunately couldn't go back-to-back and both the Under 13 Crane and Under 15 Wells teams made it to the semi-finals.

Our numbers increased again by about 25 from the previous season with the lower age groups proving to be very strong. We were able to nominate four Under 11, three Under 13, two Under 15 and one Under 17 teams and welcomed many new players & families to the club.

While numbers in the younger age groups and the Milo program are strong we still faced many challenges in fielding an Under 17 team each week with coach Brendan Twaddle having to call on another club to ensure the boys didn't forfeit games. Hopefully, the numbers of Under 15's going up next season will avoid this in future years.

The opportunity to play senior cricket provided to the juniors by the selection committee ensured that any boy prepared to make the extra commitment was rewarded and we had 15 boys play senior cricket with the club across the grades.

The Under 15's participated in the new Midweek T20 competition and enjoyed the format and mixing with boys from the other team. With the extended Saturday competition most players got an extra 5 or 6 games than previous seasons, which resulted in many personal bests from the additional opportunities.

The club was well represented in the Junior Country Week carnival with over 25 players participating & thank you again to Michael Thacker for managing a team for the whole week.

Congratulations to Jack Royce & Oscar Hill on their selection in the Under 14 Barwon Rockets team. Both boys performed well in the carnival when given opportunities. Also, congratulations to Tom Thiele, Sam Croft, Sam Bain, Matt Thacker & Lachlan Jones on their selection in the GCA Representative teams for games against Ballarat and Gisborne.

We also took on a lead role in the T20 Blast program run by Cricket Victoria and were one of the 'host' clubs, which was a good opportunity to showcase our facilities to many new cricketing families. Our two teams were very well managed by Marc Carson and Julie Jaques and they were invited to be part of the on-field entertainment at the Boxing Day Test where Marc help run a game on the hallowed turf – a great experience for all involved.

The Milo In2Cricket program was again successfully run by Tony Hedley with excellent numbers participating. Tony has been outstanding in the coordination and growing the program over the last few years but will be moving on next season so we are now on the lookout for a replacement.

A special thank you to Don Royce and Ross Price for their help across many activities over the whole season.

The following coaches & managers are to be congratulated for their outstanding contribution at training and on game days:

Under 11 – Colin Cunliffe, Sam Callow, Scott Rixon, Kev & Leisa Curyer

Under 13 – Jason Thiele, Mark Bain, Geoff Williams, Michael Thacker, Aaron Croft

Under 15 – Devon Royce, Tony Jefferies, Adrian Windt, Ross Price, Don Royce

Under 17 – Brendan Twaddle, Shane Devlin

The award winners for each team were:

Under 13 Royce

Batting – Tom Thiele

Bowling – Nakia Pearce

Coaches – Blake Reid

Under 13 Taylor

Batting – Tom May

Bowling – Jackson Williams

Coaches – Lachie Martin

Under 13 Crane

Batting – Harry Orr

Bowling – Angus Chapman

Coaches – Alex Souflas

Under 15 Wells

Batting – Patrick Silo

Bowling – Levi Irving

Coaches – Charlie Harris

Under 15 Chisholm

Batting – Oscar Hill

Bowling – Hayden Jefferies

Coaches – Jye Witham

Under 17 Just

Batting – Austin Levick

Bowling – Chris Byrne

Coaches – Jack Hastie

TREASURER'S REPORT

by Mark AINSWORTH

The 2014/15 season has seen the club consolidate and maintain its financial position. Our club is still very well placed for the next stage of its Strategic Development to ensure we remain one of the leading clubs in the GCA.

Operating Performance

This year the P&L shows an operating profit of \$2,155 on turnover of \$129,531.

Revenues

Club Revenue has dropped slightly on last year (\$134,826 in 2014) mainly due to reduced Bar Receipts and given our current demographic Senior Memberships.

On a positive note our Junior membership and Milo/T20 programs continue to grow which is the foundation of our future. The club is again very thankful and appreciative of the ongoing support of our long standing and new sponsors and we thank them accordingly.

I can't stress enough how important it is for all club members to support our valued sponsors whenever possible as they continue to support us and play a large part in keeping player memberships at an affordable level for all.

On memberships, thank you to Tom Levick and Tony Jefferies on the amazing job they do in handling both Senior and Junior memberships respectively.

I would like to thank Specs and Graeme Chisholm in continuing to make the major raffle an outstanding success.

Expenses

Trading Expenses overall were \$2,785 higher than last year with the main increase in both club senior and junior apparel. As a result there is an amount of stock on hand at the end of the year that we have chosen to include in the numbers to reflect that.

Operating Expenses remained in line with expectations and despite a few one off transactions were less than the previous year.

Cash Position

As at the 10th June 2015 the club holds the following in Cash Reserves:

General Cheque Account	\$44,522
Bar Stock Purchasing Account	\$639
Net Cash Position	\$45,162

Finally

On a personal note, I would like to thank a few people who have been instrumental in helping me carry out my role as the club treasurer. To the President **Phillip Morgan**, your outstanding efforts in tracking the club's floats, bar trade and management reports that we rely on to present the financials is very much appreciated. I can't thank you enough for your outstanding work and generosity of time. To **Frank Tuskes** for your drive, passion and leadership in making sure we as the current custodians leave the club in a better position than when we started. **Don Royce** for your friendship, guidance and generosity of spirit in all matters. **Neville Crane** for your continued wise counsel. Without your support and guidance there is no way I could fulfil my obligations.

It is with great satisfaction that I declare that the club is in a stable and sound financial position and well placed to move forward.

Note:

- All financial statements are current as at 10th June 2015.

3. **ADOPTION OF MINUTES OF PREVIOUS ANNUAL GENERAL MEETING –
18th June 2013 at Queens Park Sporting Complex**
Moved: Ian Hastie Seconded: Tony Jefferies

4. BUSINESS ARISING FROM MINUTES:

2014 New Model Rules Legislation

On 26 November 2012, the *Associations Incorporation Reform Act 2012 (and its associated Regulations)* (“the Act”) replaced the *Associations Incorporation Act 1981*.

Although the introduction of the new legislation has had a limited effect on the Club one of the consequences of the new legislation was that the Club was now required to have 23 specific matters in our rules. These include:

- the association's name and purposes
- members' rights and obligations
- procedures for resignation and cessation of membership
- the process for appointment and termination of the secretary
- preparing and keeping minutes of general and committee meetings
- enabling members to access minutes of general meetings, including financial statements submitted at a general meeting
- members' right of access (if any is specified in the rules) to committee meeting minutes.

Although our current Constitution provided for many of these specific matters not all were included. The Act included a set of Model Rules which encompass all the specific matters as required together with a comprehensive set of non-specific matters. As a result the Committee decided to review our current Rules and Regulations to ensure that they comply with the requirements of the Act but also that the Rules are reflect the Club's current day values. After much consideration and having taken advice from Consumer Affairs Victoria amongst others the Committee believes it is in the best interest of the Club to replace the current Rules and Regulations with the Model Rules, with some minor amendments.

Club members should be aware that adopting the new Rules will have little if any impact on their day to day enjoyment of the Club.

The Committee requests those of you who are interested to read through the current Rules, the Model Rules and the attached Changes to Model Rules Proposal prepared by Stuart Day which was presented to Committee. Stuart is a member of Committee and also a lawyer.

In order to avoid lengthy debates at the next Annual General Meeting (AGM) (June 10th 2014 7.30pm at Queens Park), Members are requested to contact Stuart Day (feedback@two-blues.com.au) prior to the AGM with any queries or concerns they have in relation to the proposed changes. Club Members who are interested in finding out more about the new legislation are encouraged to visit the Consumer Affairs website at <http://www.consumer.vic.gov.au/clubs-and-not-for-profits/incorporated-associations/adapting-to-the-new-laws> and click on the links below for further information or visit our club website (www.two-blues.com.au) under Rules & Policies.

- [Amended Model Rules](#)
- [Model Rules Proposal](#)
- [Model Rules for a Incorporated Association](#)
- [N&CCC Rules of Operation](#)
- [N&CCC Statement of Purpose \(2014\)](#)

AGM consensus voted that there be no minimum or maximum number of committee members required for a committee meeting throughout the year with a common sense approach prevailing.

Voting for the New Model Rules and New Statement of Purpose – All members were in favour and none were opposed.

Moved: Stuart Day

Seconded: Neville Crane

5. CORRESPONDENCE:

5.1 INWARD

- GCA - annual club assessment (Overall a very good report with point deducted for 1 x suspended player in Firsts)
- GCA – letter of thanks for hosting the 2013/14 GCA Division 1 Grand Final @ Queens Park
