

Current Player Stats

The information has been obtained from scorebooks, where the books were not available results from the Geelong Advertiser (i.e. scores of 30 above and three wickets or more) have been used to supplement the data.

Some data for players who started before season 1981/82 may be incomplete but the statistics for all players making their senior debut after that season will be complete.

Player records include a "games played" register.

The games played by our veteran players from the seventies (and earlier) have been calculated as an educated guess and correspondence will be entered into!

Until such time as missing scorebooks surface, these statistics can be regarded as complete.
